Guideline Committee

On developing a methodology for drawing up guidelines on best medical practices

- Chairman: Professor **Jim Petrie**,
Scotland
- Representatives from: Austria, France, Germany, The Netherlands, Romania, Slovak Republic, Slovenia, Sweden
- Several countries and organisations sent additional delegates

The journey without guidelines....

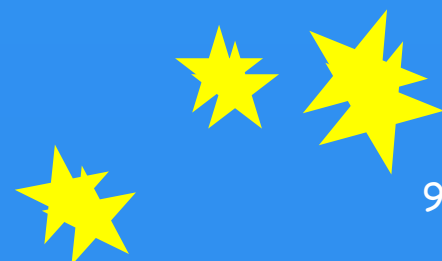

• **Jim Petrie**, SIGN, SCOTLAND

• **John Eisenberg**, AHRQ, USA

• **Prof. Silagy**, AUSTRALIA

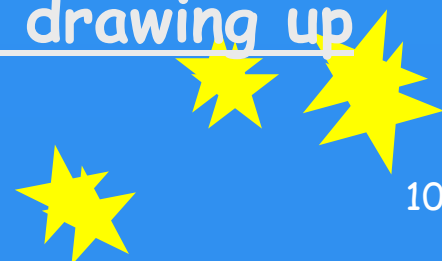

Journey of efforts

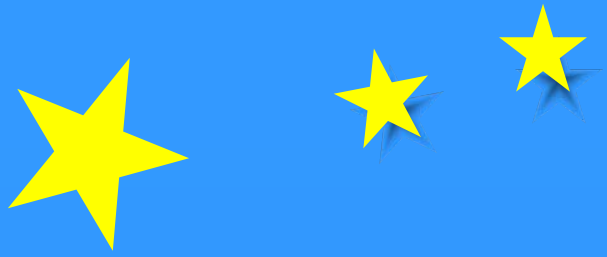

Rec. No. R (97) 17 on the development and implementation of quality improvement systems (QIS) in health care

Rec. No. R (99) 21 on the criteria for the management of waiting lists and waiting times in health care.

Rec(2000)5 on the development of structures for citizen and patient participation in the decision-making process affecting health care.

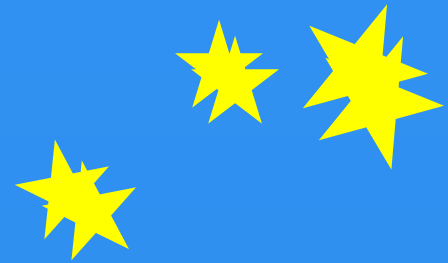

Rec(2001)13 on developing a methodology for drawing up guidelines on best medical practices

GUIDELINES «*KNOW HOW*»:
RIGHT TIME, RIGHT PATIENT,
RIGHT THING DONE RIGHT

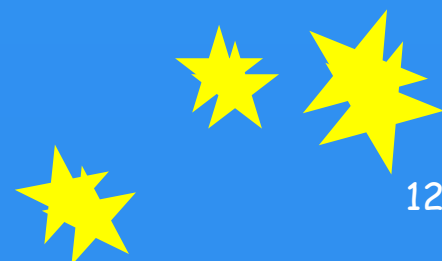

«AVOIDLINES» *KNOW HOW NOT*:
WRONG TIME, WRONG PATIENT,
WRONG THING DONE WRONG
